

Search for Training Providers on CalJOBS ETPL

Follow these steps to search for eligible training providers by location, area of interest, and type of service:

1. Visit [CaJOBSSM](#).
 1. If you have a CalJOBS account, sign in and select Education Services. Continue with step three below.
 2. If you do not have an account and do not wish to create one, continue with step two below.
2. Select More Career Services.
3. Select Training Providers and Schools. The Provider Search will display. (You may also select the Provider Listing tab for a list of all training providers.)
4. Enter and/or select your search criteria.
5. Select Eligible Providers from the Workforce Innovation and Opportunity Act Eligible Training Provider dropdown menu.
6. Select the Search button once your criteria have been entered.
7. Select a provider from the list.
8. Once you select a provider, the programs eligible for WIOA funding will display a green checkmark.
